## CONGRESSMAN BUCK MCKEON

June 26, 2006

Federal Election Commission  
999 E Street NW  
Washington, DC 20463

Attn: Jill Sugarman

Dear Jill:

This letter is in response to your letter of June 13, 2006 regarding the contribution from the Curtiss Wright Employees PAC which did not meet the requirements for a qualified multi-candidate status as of the date the contribution was made. We were not aware they were not as yet qualified and have returned the amount in excess of what an individual is permitted in each election cycle.

Please note the copies of checks refunded to Curtiss Wright on 6-21-06 in the amount of \$3000.00 toward the Primary of 2006 and \$2500.00 to Curtiss Wright toward the General of 2006. These refunds will be reflected on the July quarterly report on line 21.

Regarding the contributions from Nelnet PAC, Parsons Corp PAC, and ASIC Voluntary PAC: We have corrected our software procedures so that a designated contributed does not appear to be a presumptively redesignated contribution. Any contribution that is redesignated by our campaign gets written authorization to do so.

I will amend the 12 Day Pre-Primary Report (4/1/06 - 5/17/06) to reflect the correct designations.

Sincerely,

Patricia McKeon  
Treasurer
